

Family Advisory Council

Eligibility Requirements

The Family Advisory Council is a group of parents, hospital staff and hospital administrators who will work in collaboration to make the hospital a better place for children and families. At *Florida Hospital for Children* the Family Advisory Council empowers families and gives them a voice in decisions that affect patient care and family experiences.

Parents and family members can provide invaluable insight and information to enhance the experience of hospitalized children and their families. If you are a parent or family member you are eligible to join the Family Advisory Council if:

- ▶ Your child has received care at *Florida Hospital for Children*
- ▶ You want to help us make the hospital experience better
- ▶ You can share both positive and negative experience in a constructive manner

Members of the Family Advisory Council will be asked to participate in orientation and can expect to attend eight committee meetings a year. Meeting times will be determined based on family input.
